From the Senior Warden

Dear Parishioners,

This Sunday will be our first Sunday back in the church. I can't wait to see all of you!

We are following the guidelines of the diocese carefully and starting out slowly. When everyone arrives they should be wearing a mask and find a place to sit in the sanctuary. The pews are marked with little green tape crosses for each place you can sit. The altar guild went though and measured so everyone will be at least six feet apart. Family members living with each other can of course sit together.

We will continue to broadcast the service over YouTube so that the parishioners who are uncomfortable attending will be able to participate in the service. We will have one soloist that will lead us in singing the service music and hymns. You can find the bulletin and

If you would like to sing along, please make sure you have your mask on while singing.

The Kent Fire Marshall surveyed the sanctuary for me and he has determined that St. Andrews has a capacity of 142. So we could have up to 35 people in attendance. With the readers, the soloist, the priest and Tom also present we thought that 25 would be a good number to start with this week. With the next phase of the re-opening I believe we could go to 71 total in the church. So if you would like to attend, please email or call Marel Roger (hermits30@comcast.net or 860.364.0635) and she'll put you on the list! As always, please let Charmian or me or any of the vestry know of any ideas or concerns.

From Webmaster George Potts

Parish member Kristin Phelps has a great idea!

We would like the members of our worldwide St Andrew's Parish to share stories of how we each have been spending our time during the current pandemic:

Where are you spending your quarantine?

How are you keeping busy?

What are you reading?

What is the biggest change you are experiencing?

Are you attending any online services, both here and worldwide?

Please email your stories to George Potts at gpotts@snet.net and he will upload them to the parish website so that we can all see them. All of them will be viewable once the page is published at <https://www.standrewskentct.org/membersblog.html>

ECCT Stories: Covid -19 Reflections, Part 1

We asked folks from all over ECCT to submit reflections on their experiences during this time of quarantine, physical distancing, and uncertainty. We asked where you see God in this, what you are learning, and how you are caring for yourself in this time. We were overwhelmed with the response of essays, videos, poems, and more. Here are some of the reflections, more to come next week.

Adding to the Prayer List

During the transition time, Heather Scofield, our Administrator, will be maintaining the parish Prayer List. Please call her and ask her to add names to the list, that you would like the prayers offered.

And please remember to let her know when she may remove the name(s).

Except for the names we know to keep on the Prayer List on a long term basis, we will remove names after 3 months and ask that you resubmit if the names should remain.

*You may also write to Heather at
st.andrew.kent@snet.net*

Please be sure to provide her with a telephone number so that she may be able to ask if she has any questions.

We remember the faithful departed during the week after their deaths, and on those Sundays when you ask for their names to be included.

A Prayer for Change

This prayer has been used several times since this summer at Eucharist and several of you have asked that we reprint it again. It was developed by The Women's Prayer Circle of St John's Church in North Guilford, as a reflection on the state of the world and how to bring God's love. Their hope is, as more people and churches use and share it, the prayer will create an energy that will be a force for loving change.

A Prayer for Change

*Loving God,
You have made the whole of human life in your image;
each one of us shaped in love.
Your goodness is ever-present within us all.
But, there is so much evil and pain in our world,
it comes at us from every direction.
Teach us how to rediscover Your love within us,
to use that love as a force for good.
help us to turn our hearts toward the world in hope,
Praying for each other, regarding each other as treasure.
Join us all together in prayer, that we might be the light which darkness
can never overcome;
through Jesus Christ we pray.
Amen.*
