This Week at St Andrew's

Dear Parishioners,

As the coronavirus crisis drags on I miss more and more attending church, singing hymns, listening to sermons and fellowshiping with you all. Sunday mornings are not the same. I just don't want to get used to this 'new normal.' During Lent we were able to record and post the several services leading up to and including Holy Week. I thought that was a good way to keep the spirit alive at St. Andrews.

Then many of the participants began to feel uncomfortable even doing that. We are now starting to think about what to do going forward. The governor and bishops are now saying that we may be able to start attending church again on May 20. Even if we do return we'll have issues of social distancing, etc. to deal with. I have a feeling that many parishioners will not feel comfortable attending church for some time no matter what the bishops or governor say. Some of our intrepid altar guild are starting to feel that we should resume the online services, so next week we'll start doing recording the Sunday morning service again. So for a time it may be a good solution to record the services and allow more and more parishioners to attend as they feel comfortable. We will follow the bishops guidelines.

*Holy Days as
announced.*

Even if it seems as though nothing is going on at St. Andrews right now, there is still a lot happening. We are making very good progress on the renovation of the rectory. We've added a second bathroom and completely renovated the heating and air conditioning systems. All should be ready for a new Provisional Priest in Charge when we find one.

Also, this coming week the vestry will interview three candidates for the PPIC via zoom. All three candidates are well qualified and want to come to St. Andrews. After the initial interviews, the vestry will decide if we would like to further pursue any of the candidates. So please keep this process in your prayers.

Finally, the Tag Sale committee and volunteers are feeling that this year the Tag Sale should be cancelled. The Tag Sale requires many of the volunteers to work in close quarters with many different people, so many parishioners are hesitant at this time to want to do that. We were waiting to see what the town of Kent does with the Kent Sidewalks event, but the side walk event could follow social distancing guidelines while there is no way to do that with many people in the parish hall. So we decided to cancel the Tag Sale this year. So please keep all that stuff until next year!

I know we will come through all of this. Please let myself or Charmian or any of the vestry know of your ideas and concerns.

Senior Warden

From Dylan Mello

Greetings Everyone,

I hope you all had a peaceful week. Each week as I put these newsletters together, I am always amazed at the work that is being done in our Region. Despite these challenging times, there has been such an impressive shift of remaining together, albeit from our homes, safely and virtually.

Our churches continue to be our home. The church isn't the building; the church is the community and relationships we have made. The virtual coffee hours, the Facebook Livestreams, the meditations, and the Zoom Services all allow us to be together. As we remain physically distant yet socially close, I see the Holy Spirit at work, though I still long for the time to arrive when we can be physically together safely.

This week there is new information of our online events! Please review the new offerings, [ECCT](#) updates, and a NW Region Leadership Highlight.

The Region website is a space for information as well, located **here**. Please let me know if there is anything you'd like to me know or share.

Stay safe and stay well.

In peace,

Dylan

From Webmaster George Potts

Parish member Kristin Phelps has a great idea!

We would like the members of our worldwide St Andrew's Parish to share stories of how we each have been spending our time during the current pandemic:

Where are you spending your quarantine?

How are you keeping busy?

What are you reading?

What is the biggest change you are experiencing?

Are you attending any online services, both here and worldwide?

Please email your stories to George Potts at gpotts@snet.net and he will upload them to the parish website so that we can all see them. All of them will be viewable once the page is published at <https://www.standrewskentct.org/membersblog.html>

Adding to the Prayer List

During the transition time, Heather Scofield, our Administrator, will be maintaining the parish Prayer List. Please call her and ask her to add names to the list, that you would like the prayers offered. And please remember to let her know when she may remove the name(s).

Except for the names we know to keep on the Prayer List on a long term basis, we will remove names after 3 months and ask that you resubmit if the names should remain.

You may also write to Heather at st.andrew.kent@snet.net

Please be sure to provide her with a telephone number so that she may be able to ask if she has any questions.

We remember the faithful departed during the week after their deaths, and on those Sundays when you ask for their names to be included.

From the ECCT

"Evenings with Our Bishops." Gathering opportunities.

Are you sensing a call to ordered ministry in the Episcopal Church in Connecticut? Mark your calendars for Tuesday, April 28 at 6:00 p.m.

You (and the clergy person pastorally responsible for you) are invited to an Evening with our Bishops to learn how ordained leaders in the Episcopal Church in Connecticut are partnering with God's mission in this new missional age.

If your parish is not presently served by a clergy person, we ask that you bring a warden of the parish.

You will also hear from the Rev. Marcus Halley, ECCT's Dean of Formation, and the Rev. Lynda Tyson, Dean of the Province I School for Deacons.

To attend, you will have needed to speak to the clergy person (or warden*) responsible for your parish and have their support.

This meeting takes place at 6:00 pm on Tuesday, April 28, 2020 via Zoom. Registration for this event is required. Please contact Dean Marcus Halley (mhalley@episcopalct.org) for more information.

A Prayer for Change

This prayer has been used several times since this summer at Eucharist and several of you have asked that we reprint it again. It was developed by The Women's Prayer Circle of St John's Church in North Guilford, as a reflection on the state of the world and how to bring God's love. Their hope is, as more people and churches use and share it, the prayer will create an energy that will be a force for loving change.

A Prayer for Change

*Loving God,
You have made the whole of human life in your image;
each one of us shaped in love.
Your goodness is ever-present within us all.
But, there is so much evil and pain in our world,
it comes at us from every direction.
Teach us how to rediscover Your love within us,
to use that love as a force for good.
help us to turn our hearts toward the world in hope,
Praying for each other, regarding each other as treasure.
Join us all together in prayer, that we might be the light which
darkness can never overcome;
through Jesus Christ we pray.
Amen.*
