From the Senior Warden

Hi All,

Happy summer!

We are continuing to tape the Sunday morning services and I hope that they have been meaningful to you all. This week we will have back the Rev. Christopher Christopherson and then the Rev Cam Hardy for the next two Sundays after that.

We will most likely continue to tape the services at least through June and maybe July. The guidance from the bishops remains that we shouldn't have any more than five people in the church at one time. So attending services still is not possible until at least sometime in June.

We have some very exciting news on our PPIC candidate. He met with Bishop Laura last week and she has given her approval and

Holy Days as announced.

blessing for us to move forward! So we plan on setting up a small vestry committee to iron out the details of his coming to St. Andrews. So please keep this process in your prayers.

Also, Out of an abundance of caution and a realistic look at how shoppers will feel this summer, the annual Tag Sale has been canceled. But please keep a corner of your attic or cellar filled with treasures for 2021! And we may if all goes well have an enhanced Christmas Bazaar to make up for not having the tag sale. That is still up in the air.

This year I hope that you will give some thought to directing your energies to the garden plots St. Andrew's tends. There are 6 plots and Jake Fricker has them planted with vegetables, herbs and flowers.

Watering and weeding are what is needed. The soil drains well and is in full sun, so a lot of water is necessary. Anyone who has tended a vegetable garden knows about weeding! Please contact **Marel Rogers (hermits30@comcast.net)** if you would like to reserve a particular day for yourself. The area is lovely and quiet (although there is grass cutting each week) and knowing that the harvest goes to food banks makes the yoke easy and the burden light.

And finally, we all would like to give a big thank you to Ron and George-Ann for the 'bell ministry.' Many, many thanks for doing that every night. And as a reminder, they are still available for special events like birthdays, etc., just not every night.

As always, if you have any ideas or concerns, please contact Charmian, myself or any of the vestry members.

Parish member Kristin Phelps has a great idea!

We would like the members of our worldwide St Andrew's Parish to share stories of how we each have been spending our time during the current pandemic:

Where are you spending your quarantine?

How are you keeping busy?

What are you reading?

What is the biggest change you are experiencing?

Are you attending any online services, both here and worldwide?

Please email your stories to George Potts at gpotts@snet.net and he will upload them to the parish website so that we can all see them. All of them will be viewable once the page is published at <https://www.standrewskentct.org/membersblog.html>

ECCT Stories: Covid -19 Reflections, Part 1

We asked folks from all over ECCT to submit reflections on their experiences during this time of quarantine, physical distancing, and uncertainty. We asked where you see God in this, what you are learning, and how you are caring for yourself in this time. We were overwhelmed with the response of essays, videos, poems, and more.

Here are some of the reflections, more to come next week.

Free Online Course-Yale Divinity School

Women in the Bible, an online course from
Yale Divinity School

"Women in the Bible" sheds new light on familiar characters like Mary Magdalene in the New Testament and Sarah, Abraham's wife in the Hebrew Bible. It also studies characters who are less well known to many Bible readers, such as the city of Babylon, styled as a whore in the Book of Revelation. Through the stories of these women, discover how gender can inform your reading as you explore how these stories relate to your own faith journey.

This online course is 11 weeks and includes videos, discussion questions, a study guide, and additional resources.

Begin the online curriculum with Dr. Jacqueline Vayntrub and Dr. Yii-Jan Lin today!

A Prayer for Change

This prayer has been used several times since this summer at Eucharist and several of you have asked that we reprint it again. It was developed by The Women's Prayer Circle of St John's Church in North Guilford, as a reflection on the state of the world and how to bring God's love. Their hope is, as more people and churches use and share it, the prayer will create an energy that will be a force for loving change.

A Prayer for Change

*Loving God,
You have made the whole of human life in your image;
each one of us shaped in love.
Your goodness is ever-present within us all.
But, there is so much evil and pain in our world,
it comes at us from every direction.
Teach us how to rediscover Your love within us,
to use that love as a force for good.
help us to turn our hearts toward the world in hope,
Praying for each other, regarding each other as treasure.
Join us all together in prayer, that we might be the light which darkness
can never overcome;
through Jesus Christ we pray.
Amen.*
